

Hancock Neighborhood Association

Parks & Natural Environment Committee

Mission: To enhance and preserve existing open space, parks, and the natural environment.

The subcommittees under this committee strive to reach the following goals.

- Ensure that the Hancock Recreation Center and Golf course continue to meet the needs of local residents as well as the rest of the city.
- Increase and preserve greenspace in areas where it is needed and desired.
- Protect and preserve natural resources that help to protect and define our neighborhood such as our urban forest.
