## DEAR HANCOCK RESIDENTS --

You're invited to contribute to a sustainable design and planning project led by graduate students of the Community & Regional Planning program at The University of Texas at Austin. This project requires a community visioning workshop, a design charrette, and a final design proposal for the Hancock Neighborhood. Your input is invaluable to this shared learning experience, and your presence at the following events is greatly appreciated. All events will take place at the **Hancock Recreation Center**, located at 811 East 41st Street.

### VISIONING WORKSHOP

Tuesday, October 23 | 7 - 8:30 PM

### DESIGN CHARRETTE

Thursday, November 15 | 7 - 9 PM

### FINAL PRESENTATION

Thursday, December 6 | 7 - 8:30 PM

For more information, please contact Professor Ming-Chun Lee at: [mingchun@austin.utexas.edu](mailto:mingchun@austin.utexas.edu) or (512) 475-6158.
