

Hancock Neighborhood Association Meeting
Wednesday, November 20th
7:00 pm – 8:30pm
Hancock Recreation Center

AGENDA

Mueller Local Business Committee Presentation
David Neider

Resolution on Ariel Advertising
Mary Sanger

Motion: The Hancock Neighborhood Association implores the City Council to ask the FAA to stop aerial advertising over the Central Austin neighborhoods. Low flying planes circling these neighborhoods for four to six hours on weekend day pose a safety risk to residents. In addition, the constant and loud noise from these planes scare our children, is an intrusion into our daily lives, prevents us from enjoying the day, and a form of harassment.
